

# ARABINOL® Multinstant SB

**Consists of Gum Arabic, a natural hydrocolloid and used for stabilising beer foam and improving head retention. It will also enhance the mouthfeel and texture of beer.**

## PRODUCT PROPERTIES

### COMPOSITION:

Derived from the hardened sap of the Acacia tree and purified into microgranule form.

## SPECIFICATIONS

<b>PHYSICAL FORM:</b>	Powder
<b>COLOUR:</b>	Yellow
<b>DENSITY:</b>	0.35 - 0.55 g/ml
<b>PATHOGENS (as Salmonella spp.):</b>	Not detected/absent
<b>HEAVY METALS (as lead):</b>	< 2 mg/kg

*For additional specifications data please refer to the Compliance Data Sheet (CDS) or contact AEB Group Quality Control*

## APPLICATION BENEFITS

**ARABINOL® Multinstant SB** is gum arabic that is harvested from the Acacia tree. It is widely used in food and beverages. In beer it acts as an effective stabiliser of beer foam and a natural agent for improving head retention. It is easily soluble in cold water making application easy, and this solubility increases with temperature.

- Stabilises beer foam
- Improves head retention
- Enhances mouthfeel and texture of the beer

## DOSAGE & APPLICATION

Typical dosage 1 - 7 ml/hl of aerated water or beer for the BBT (bright beer tank).

The solution must be dissolved completely and, if necessary, kept under agitation to ensure complete solubilisation. When dissolved the **ARABINOL® Multinstant SB** solution must be used immediately.

It is recommended that **ARABINOL® Multinstant SB** is added to the beer in the BBT (bright beer or maturation tank) and just prior to packaging.

## PACKAGING & STORAGE

---

**ARABINOL® Multinstant SB** is packaged in:

5 kg net packs

*Please contact your local AEB customer support team for country-specific pack size availability.*

Store in a cool, dry place away from direct light and heat.

On opening, use the product as quickly as possible. Packs which have been opened and part-used should be kept tightly sealed. If there are any signs of spoilage during storage of an opened bag do not use and discard the contents appropriately.

*If in any doubt, please contact AEB Technical Service.*
